4.1. The Borrower shall keep and maintain the Item during the period of the loan at their own cost and expense. They shall keep the Item in a good state, with normal wear and tear excepted, and comply with the manufacturer's requirements and recommendations.

4.2. Unless an alternative arrangement has been stated clause 3d, the Borrower shall pay the Lender full compensation for replacement and/or repair of any Item which is not returned because it is lost or stolen or any Item which is damaged and in need of repair to put it into the same condition it was in at the Time of Loan, normal wear and tear excepted. The Lender's invoice for replacement or repair, which shall not exceed the Approximate Value in clause 2a, is conclusive as to the amount Borrower shall pay for repair or replacement.

4.3. The Borrower shall adhere to the conditions stated in clauses 3a, 3b, 3c, and 3d. If there is a circumstance where the Borrower needs to break the conditions of these clauses, they must seek permission that can be proven before proceeding to break these conditions.

4.4. If the Item is returned early, the Lender is not obliged to give a refund for the remaining days. If the Item is returned late, the Borrower shall adhere to the conditions in clause 3c.

4.5. If the Borrower is in default of any of the terms and conditions of this agreement, the Lender, and their agents, at the Borrower's risk, cost, and expense, may recover the loaned Item as long as the actions of the Lender fall under Canadian law.

4.6. The Borrower indemnifies and holds the Lender harmless for all injuries or damage of any kind while using the borrowed Item.
